Firefighting Nozzles – Water and AFFF only

#92.521 Nozzle with Ball Valve
Lever operated Blast/Closed/Misting.
Operating pressure: up to 16 bar.
Lightweight Nozzle. Aluminum with Polyamide grip. Nozzle opening: 12 mm diameter. Flow diameter: 30 mm
Size: 380 mm long x 140 mm 15 x 5 1/2 inch. Weight off nozzle: 3 lbs. with aluminum Storz coupling N = 66 and conversion adapter. Used at European Mega Yachts
Can be used with Storz Coupling N=66 and conversion adapter

#91.KC1 Nozzle UL approved with Storz coupling N=66
Brass Chrome Plated Nozzle. UL Rated. Manufacturer Part Number: 6AKC1.
Activates By: Twisting.
For Use With Water.
Inlet Size: 1 1/2 inch. Maximum Flow Rate: 130 gpm. Maximum Pressure: 100 psi.
Nozzle Spray Pattern: Fog.
Activation Method: Twist. Nozzle Type: Adjustable Gallonage.
Rating: UNSPSC: 46191603.

#91.151 Nozzle with Piston Grip Coast Guard Approved Firefighting Nozzle and UL rated.
With Storz N=66 coupling
Dimensions Nozzle: 8 3/4" X High 10 3/4"
Weight: 14.5 lbs.
Add Storz Coupling weight: (2 lbs. brass chrome; 0.5 lbs. aluminum)
Operating pressure: up to 100 PSI.
Thread: US NPS female 1.75" -9
To: US NPT 1 1/2" Storz coupling

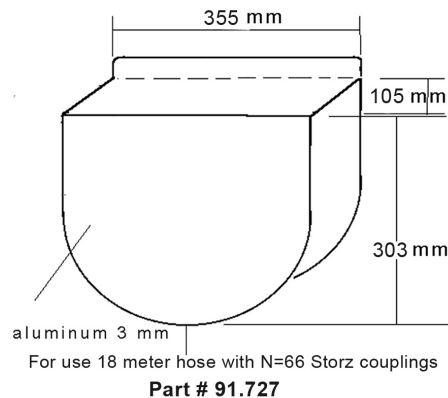

Ajax Nozzle no 1 and Containers for 18 meter 1 1/2 diameter hose

#91.718 Replacement Ajax nozzle #1 with Storz couplings N=66
Use with valve #91.778 and hose set #91.707

#91.7071 Fire Hose Container
Aluminum for use with 18 meter piroflex hoses with N=66 Storz couplings. Use with fire valve #91.778

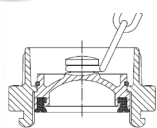

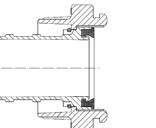

Part#: 91.728 Fire Hose Container
600 x 500 x 180 mm, Fiberglass. Made from 1/8 inch Fiberglass for max. 18 meter fire hose; Equipped with stainless steel hinges and lockable stainless steel hasp
Outside dimension: 457 x 558 x 187 mm (18" x 22" x 7 3/8").

Hoses

 #91.707 Fire Hose Pyroflat white 1 1/4 diameter with Storz couplings N-52 18 meter / 59 feet Pyroflat hose with aluminum Storz couplings distance = 52 mm. Use with valve #91.777	 #91.7071 Fire Hose piroflat white 1 1/2 inch diameter with Storz couplings N=66. 18 meter / 59 feet w. alu. Storz coupling for 1 1/4 ID fire system Storz coupling distance = 66 mm. Use with fire valve #91.778	 #91.7072 Fire Hose white 1 inch diameter with clamping couplings 18 meter / 59 feet w. alu. Storz coupling for 1 1/4 ID fire system Storz coupling distance = 66 mm. Use with fire valve #91.075

Adapters, Couplings

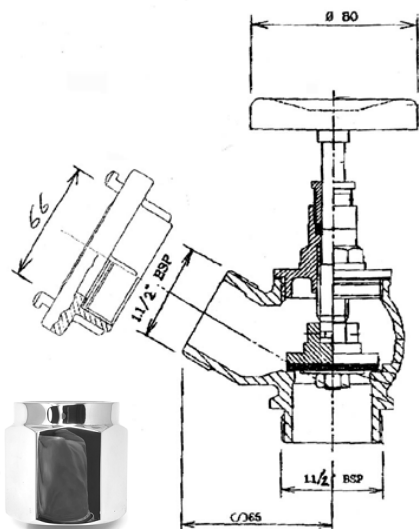

#92.380 Storz coupling male N=52 #92.381 Storz coupling male N=66 Please specify thread and base material (Brass or Aluminum)	  #92.380/1 male thread
#92.382 Storz coupling female N=52 #92.383 Storz coupling female N=66 Please specify thread and base material (Brass or Aluminum)	  #92.382/3 female thread
# 91.CSL female/female adapter from 1 1/2" BSP to NPS 1 1/2" Chrome plated brass	 #91.CSL
#91.052 Dustcover Storz N-52 (Brass or Aluminum) #91.066 Dustcover Storz N-66 (Brass or Aluminum) #91.1431 Storz coupling w. hose barb N-52 to 1 1/2" hose #91.1436 Storz coupling w. hose barb N-66 to 1 1/2" hose	   

Valves and Coupling

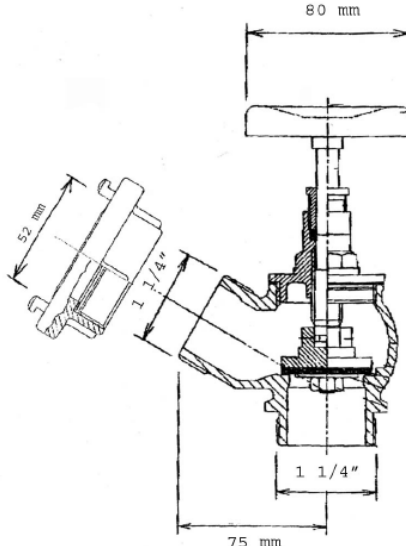

#91.778 Valve + 1 1/2" with N=66 Storz Coupling and Dust cap
Steel powder coated turning wheel
Thread: 1 1/2" BSP. Valve chrome over brass

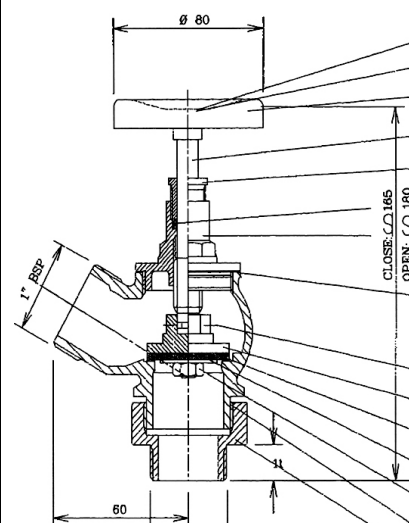

91.CSL female/female adapter 1 1/2" BSP to NPS

#91.777 Valve 1 1/4" showing with Storz coupling and dust cap N=52
Steel powder coated turning wheel
Thread: 1 1/4" BSP. Valve chrome plated brass

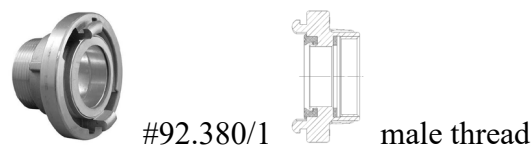

#91.075 Valve 1 inch showing with Stainless Steel Camlock Coupling & cap
Steel powder coated turning wheel
Thread: 1" BSP. Valve chrome plated brass

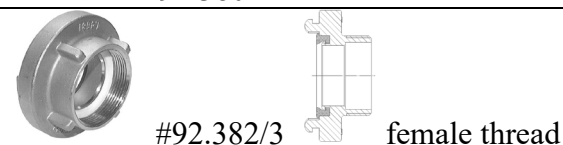

Adapters, Couplings

#92.380 Storz coupling male N=52
#92.381 Storz coupling male N=66
Please specify thread and base material (Brass or Aluminum)

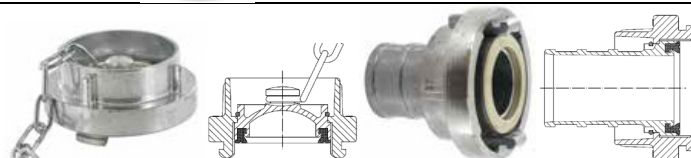

#92.382 Storz coupling female N=52
#92.383 Storz coupling female N=66
Please specify thread and base material (Brass or Aluminum)

91.CSL female/female adapter from 1 1/2" BSP to NPS 1 1/2"
Chrome plated brass

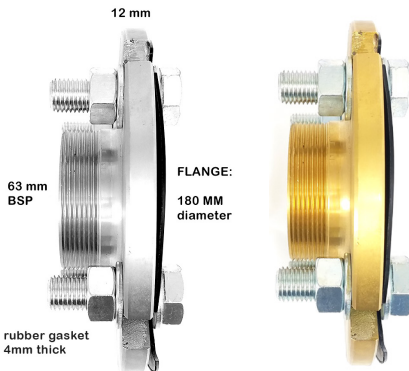

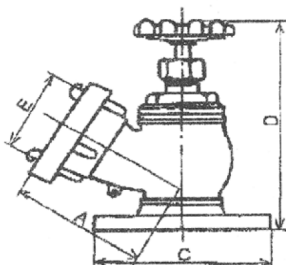

#91.052 Dustcover Storz N-52 (Brass or Aluminum)
#91.066 Dustcover Storz N-66 (Brass or Aluminum)
#91.1431 Storz coupling w. hose barb N-52 to 1 1/2" hose
#91.1436 Storz coupling w. hose barb N-66 to 1 1/2" hose

Flange Mounted Valves, and Shore Flange with Storz Couplings, Nozzle and couplings

#91.534 International Shore Connection Brass flange with BSP 63 mm male thread. 180 mm diameter x 12 mm flange (a Storz coupling 88 can be fitted.) Storz coupling not shown.		#91.534  International Shore Flange 63 mm BSP British Pipe Tread Male
#91.53173 1 1/2 inch valve 60 degree on flange Flange: 150 mm diameter Size 1 1/2 inch: A = 88 C = 150 D = 175/195 E = 66 Storz Coupling All Models: Black steel powdercoated wheel for safety. Order storz couplings separate	60 degree model with DIN flange  #91.53173	 1 1/2 inch valve 60 degree on flange order Storz coupling separate
91.150 Nozzle with horseshoe handle Dimensions: Long: 8 3/4" X High 10 3/4" Weight: 9 lbs Operating pressure: up to 100 PSI. Thread: US NPS female 1.75" -9 Combination Fog and Straight Stream Constant gallonage for either pattern. Chrome Plated Brass	Coast Guard Approved Firefighting Nozzles – Water and AFFF only Coast Guard Approved AFFF/water Fog Nozzle with horseshoe handle	 91.150 Nozzle with horseshoe handle
#92.380 Storz coupling male N=52 #92.381 Storz coupling male N=66 Please specify thread and base material (Brass or Aluminum)	 #92.380/1 male thread	
#92.382 Storz coupling female N=52 #92.383 Storz coupling female N=66 Please specify thread and base material (Brass or Aluminum)	 #92.382/3 female thread	
#91.052 Dustcover Storz N-52 (Brass or Aluminum) #91.066 Dustcover Storz N-66 (Brass or Aluminum) #91.1431 Storz coupling w. hose barb N-52 to 1 1/2" hose #91.1436 Storz coupling w. hose barb N-66 to 1 1/2" hose
